- During Bronson's show career he accumulated nine division wins in ABBA approved shows. This helped put both his sire and dam in the ABBA's Register of Renown. In 2006 following his show career, half interest was sold in him at the ABBA International Sale for \$35,000. This made him the highest selling animal to ever be sold in that sale at the time, and he still holds the High Selling Bull record. In 2012 Bronson sired BOTH the Grand Champion and Reserve Grand Champion Bulls at the World Brahman Congress. There is limited semen available on this sire.
