# Welcome...

Dear Friends,

Welcome to Miami-Dade County, the "Capital-of-the Americas," where people gather to enjoy and do business, in a beautiful and safe city where everyone feels "at home." We are honored to host another year of the Miami International Agriculture, Horse and Cattle Show. Attendees at the Show and the Magic City Sale will represent over twenty countries and fifteen states, bringing an exciting cultural melting pot of people to these great events.

With high standards, we take great pride in inviting you to view the exceptional offerings in our tenth annual Magic City Sale catalogue. The quality of the genetic materials and live animals presented is extraordinary. I believe this will be our best auction to date.

As always, the proceeds from the Miami International Agriculture, Horse and Cattle Show will go to the South Florida Autism Charter School, a school for 189 boys and girls affected by this terrible disorder located in Miami-Dade County. This high quality "open school" for children of all creeds and colors is doing excellent work and we are grateful to be able to give back in this way to keep the doors of their educational facility open. To this date, MIAHCS has given SFACS over half-a-million dollars. From all of us here in Miami-Dade County, thank you, thank you very much for your continued support. I look forward to seeing you at the Show and the Sale.

Sincerely, *Sen. Javier D. Souto*

County Commissioner, Miami-Dade County, Florida  
Chairman of the Event

On the maternal side of her pedigree, she goes back to +Maddox 684 and a Sagrera bred female that was sold in the 2007 International Sale and has the influence of the JDH 181/1 cow, the grand dam to the CF 230 and SS 230 females that were both Reserve International Champions. In addition to her proven pedigree and outstanding eye appeal she offers a performance aspect that is second to none, ranking in the top 20% of the breed for seven traits, including the valuable growth and carcass traits.
