Moreno Mr. Rocky Elmer 391 is one of our young, proven herd sires that have become extremely popular in the USA, Mexico and Thailand due to his siring ability and pedigree. Rocky Elmer is a flush mate to the 2017 International Champion Bull, LB Myles, and the 2017 ABBA Show Cow of the Year, Moreno Ms. Lady Rumbera 710. He is sired by the National Champion and global icon, +JDH Mr. Elmo Manso and out of the proven donor, +HK Ms. Passport 557 that is a daughter of +HK Passport. You simply can't script a better pedigree! The first calves by Rocky Elmer have been outstanding with several already securing wins in ABBA Open Shows. As you might expect from the pedigree and actual performance of this sire, he ranks in the top of the breed for growth and, as a result, his offspring are some of the heaviest weaning calves at the ranch.

One of the top rated red Brahman bulls to ever represent the "M Check" brand is Moreno Mr. Risque Intentions 435. Moreno is rapidly growing and currently is the 3rd largest Brahman breeder in the U.S. Their genetics are appreciated around the world and the progeny from this bull are some of the most sought after. If you are looking for a proven bull to sire structurally sound and eye appealing cattle, then consider this exceptional herd sire, Moreno Mr. Risque Intentions 435. He is a son of +JDH Impression Manso and out of 21Sst Ms. Max D 108/1 ET, a proven daughter of 21st Mr. 3X Max 80/6. Moreno Mr. Risque Intentions 435 is one beautifully made Brahman bull. He was appreciated and was selected as the 2016 ABBA National Brahman Show Reserve Junior Champion Red Bull and the 2015 AJBA All American Junior Show Calf Champion. Risque Intentions has already proven himself, siring class and division winners at multiple ABBA Open Shows including the International and National Shows. It should also be noted that his Get of Sire was the Reserve Grand Champion at the 2019 Kick Off Classic, which is one of the larger shows in the USA. The 435 legacy and influence is at the all-time high at Moreno Ranches and rightfully so!

Mr. Fontenot 333 "Rufus" was the 2016 International Champion Red Bull. Not only does this sire have the show accolades, but also he has SIRE POWER! Rufus has done us and many others around the globe an outstanding job. His progeny have been some of our most winning show animals and, as a result, his Get-of-Sire was named 2019 National Champion. Not only have the progeny of Rufus done well in the United States but around the world, especially in Central America and Thailand. The stout, growthy, beefy build of Rufus appeals to cattlemen, and to further add to his value is his outcross pedigree that allows him to be able to be mated to many of the popular and foundation bloodlines in the breed. Mr. Fontenot 333 "Rufus" continues to impress us, has impacted our red program recently as much as any, and will continue to be an influential sire.

Moreno Mr. Rock Star 625 has proven with his first calves to be a true SIRE! After a successful show career, we began using Rock Star as well as sold limited semen packages on the bull. In his first calf crop, he produced several class and division winners in ABBA Approved Shows, as well as an \$11,000 female in the National Brahman Sale. As a result of this early success, Rock Star has received as much attention as any bull in our lineup. The sire ability of Rock Star should come as no surprise as both of his parents have reached the Register of Renown due to their producing ability. His sire, Smokin Gun, is one of the most popular sires in the Brahman breed with limited semen available while his dam has risen to be one of our top donors.

This young bull has been one of, if not the most, successful show bulls of the past year. After previously accumulating class and division wins at the National and International Shows, as well as a number of other ABBA Open shows, he picked up a Grand Champion All-American win and has remained at the top of his class and division, culminating in a Grand Champion finish at the historic Fort Worth Stock Show. As you might expect, Rudolph is backed by a pedigree that includes some of the most proven genetics in the Brahman breed. His dam was the 2018 International Grand Champion Red Female, Moreno Ms. Lady Redi 902. Not only did this daughter of +JDH Mr. Elmo Manso receive the pinnacle title of International Champion, but also won the "Triple Crown" being named Grand Champion at Ft. Worth and San Antonio. The sire of Rudolph is the proven +BB Bronson 299/3. Bronson was a former show winner but, more importantly, a proven sire with numerous champion progeny to his credit including BOTH the Grand Champion and Reserve Grand Champion Bulls at the 2012 World Brahman Congress; and in 2017 he sired both International Reserve Grand Champions. We are excited about the future of Moreno Mr. Rudolph and think that he can be a valued addition to the American red Brahman breed!

Moreno Mr. Ranger Bronze 475 is a former show bull that has won numerous titles for us. He is sired by +BB Bronson 299/3 that was a consistent show winner and a record high seller, but more importantly has been a proven sire that ultimately put him in the coveted Register of Renown. The dam to Bronze, BB LP Wham Bam, is equally impressive as she, too, was a former show winner and is now a proven donor with 23 offspring to her credit. We love our first Ranger Bronze calves and they have not disappointed with many of our customers also showing successful offspring by him. We continue to breed Moreno Mr. Ranger Bronze heavily and would encourage anyone looking to get in on the front end of a successful breeding bull to take advantage of him.

You can't build a better pedigree than what Moreno Mr. Regun 745 offers. We have been excited about this bull since he was born and have enjoyed watching him continue to be appreciated by judges and fellow breeders alike. The sire of Regun is +TJF Smokin Gun that has become one of the most popular sires due to the performance of his offspring. It should also be noted that semen in Smokin Gun is rarely available, which only makes his sons such as Regun even more valuable. The dam to Regun is our famous foundation female, +Moreno Ms. Lady Reba. We have had a lot of great cows, but Reba is still the one that is the most special due to her success as a show winner and as a leading donor. View the pedigree of Regun and you quickly see that when used all of the parents in a three-generation pedigree will have reached the Register of Renown. We are excited to see what the future holds for Regun.

If you are looking for a sire that offers extreme growth and a proven pedigree, then study Moreno Mr. Richie Rich 465 hard. This former show bull is sired by the National Champion and global icon, +JDH Mr. Elmo Manso. His dam is a daughter of +HK Passport and a Register of Renown dam. Not only does this sire come in a growthy, big boned package with great length and eye appeal, but he also charts at the top of the breed for his growth figures. We are excited to see the influence of Richie Rich around the world.

Moreno Mr. Rupert offers a lot of unique opportunities. For starters he was a successful show bull for us and is already passing on this trait to his offspring with one of his sons, Moreno Mr. Renaldie 803, headlining our show string. The success of the progeny of Rupert should come as no surprise due to the influence of superior genetics in his lineage that include our proven sire BB Special Effort and the 2009 National Champion and proven donor +BB LP Enchanted Moment. As you view the pedigree of Rupert you will realize that he is the result of a half brother to half sister mating of the breed icon +Winchester Magnum which only improves his breeding accuracy.

Polled Kyros is sired by our proven herd sire, +JDH Mr. Kabram Manso 434/8. The dam to Polled Kyros comes from our foundation line of polled animals that we purchased from Edwards Brahman Ranch and that contains JME US LEXOR Manso 71, the polled sire who won numerous titles before his accidental death, and ZE 21, who is also the dam of Polled Paulette, the High Selling Lot at the 2016 International Sale, and Man of Mans the award winning bull purchased by Megan Roberts. The first calves by Polled Kyros are amazing with two of them already earning wins in ABBA Open Shows. To complete this package and to add to his value is his performance profile that indicates that he should produce low birthweight, moderate growth offspring with superior carcass traits.

USA 114/1 PROGENY ...

Admired by the many prominent cattlemen who have seen him, 114/1 was crowned the National Champion Bull of Mexico two years in a row. This incredible sire has already begun to secure his reproductive legacy. In his first calf crop he produced the "Champion of the World" and three of his progeny won championships at the National Show in Mexico. He is appreciated so much from the ground up, as he is structurally sound, moderately framed, super long and level and packed with muscle. Certainly, it is his phenotype that immediately draws you to him, but he is backed by a proven pedigree with a cross of the foundation genetics of J.D. Hudgins and Tic Tac Toe Ranch, as well as charts positive for both his growth and carcass figures making him an "All Around" sire. We were one of the first to use Laureano and are extremely excited about his calves with some of the first already winning their class and championships, such as Moreno Ms. Lady Loretta 734/1. Laureano will be one of the leading sires in the USA due to his ideal phenotype, performance and outcross pedigree.

Moreno Mr. Sizzling 847 is a young bull that has enjoyed a successful show career and has created a lot of excitement in the Brahman breed. For starters, this young sire prospect offers as proven of a pedigree as any in the breed. He is sired by JDH Sir Stratton Manso that is a +JDH Elmo Manso son that has done us, J.D. Hudgins-Locke Division, and a number of breeders in Australia an outstanding job siring show winners and sale toppers alike. The dam to Sizzling is Miss RB 591/2 "Emma Prince," a former All American Grand Champion Female and a daughter of one of the most proven matings in the breed, +JADL Rey x +WR 071. Not only does Sizzling come with a great pedigree but study his build that is growthy, long, deep, stout, and heavy muscled. We love the pedigree, phenotype and performance of this young sire and look forward to the impact that he will play in our herd and around the world!

SIRE: JDH MR DEEDS MANSO | **DAM:** JDH LADY NISSAN MANSO
MGS: JDH MR BEVAN MANSO

- Mr. Slugger 12/7 is a sire that was raised by Carlos Lee and the result of a purchased bred cow from the ABBA International Sale.

- One of the primary reasons that we purchased and used Slugger was his sire JDH Mr. Deeds Manso.

- Slugger is a sire that can be used to add bone, growth and "dress up" a pedigree.

- JDH Mr. Manso 991/4 was purchased from the J.D. Hudgins-Forgason Cattle Company Herd Reduction Sale and has done a great job for us, JDH-Forgason Cattle, and many others.

- As you can see from his picture 991/4 is dark pigmented and produces gray on gray and red on red.

Not only does 991/4 produce structurally sound, heavy boned, deep ribbed, heavy muscled and super eye appealing offspring but he is backed by a pedigree that combines some of the leading genetics of the famed J.D. Hudgins & V8 Ranch herds.

SIRE: JDH MR. MANSO 362/1 | **DAM:** JDH LADY MANSO 625/3
MGS: JDH MR. MANSO 13/2

- JDH Goudeau Manso 174/0 is an extremely versatile sire that has been used in our red and gray herds as well as sires show animals and is moderate enough in his birthweight for his sons to be used commercially.

- 174/0 offers an outcross pedigree to many of today's popular bloodlines and combines the performance oriented genetics of JDH Mr. Manso 362/1 with the foundation J.D. Hudgins donor =JDH Lady Swatter Manso.

- As a result of his outstanding parental influence 174/0 ranks in the top 1/3 of the breed for the essential traits of WW, YW, Milk, and Tenderness.

+JDH Impression Manso 719/4 is one of the greatest and most influential sires to ever exist at Moreno Ranches due to his superior siring ability. As a result of his successful offspring, he entered the coveted Register of Renown. 719/4 is a son of the National Champion and globally utilized +JDH Mr. Elmo Manso 309/4 and out of a daughter of +JDH Charley's Jazz that is a top donor for J.D. Hudgins-Locke Division. Impression produces fast growing, super fancy offspring and due to his pigmentation has been used successfully both in our red and gray herds.

Moreno Mr. Kari Houston 613 is one of our newer herd sires that recently completed a successful show career. As you might expect based on his phenotype and as confirmed by his performance profile, Kari Houston should sire extremely fast-growing offspring. This young sire is not only appealing due to his show ring success and performance indicators, but he is backed by as proven of a pedigree as we can offer at Moreno Ranches. He is sired by +JDH Impression Manso, the foundation sire of our program. The dam to Kari Houston, Moreno Ms. Lady Madona Calver, is a former show cow and now proven donor with progeny who have won championships and topped our sales. The crossing of the Elmo line with the JADL Rey bloodlines has worked well for us and we are excited to see the role that Moreno Mr. Kari Houston 613 plays in our program.

Moreno Mr. Iker 897 is a bull that we have retained and used due to his being a practical-built sire with a proven pedigree that crosses our foundation herd sire +JDH Impression Manso with the genetics of the famed Tic Tac Toe Ranch. The dam to Iker is a cross of JDH Echos Lair that is also the maternal grand sire to TTT Suva Bob, and then a cow that did us a great job producing two replacement females before we sold her in one of our production sales. Study the performance profile of Iker and you will see that he is low birthweight and high for growth which adds value to him from a commercial perspective, something we can never lose sight of as seed-stock producers.
