DECEMBER 9 - 11, 2022

AGRI-CIVIC CENTER ARENA - OKEECHOBEE, FL

10 YEARS ANNIVERSARY

HEARTLAND CLASSIC

DECEMBER 9 - 11, 2022

AGRI-CIVIC CENTER ARENA - OKEECHOBEE, FL

The Heartland Classic is a show created to provide opportunities for youth to work with their cattle projects and compete with fellow Juniors on a competitive and social level, preparing in some way for the bigger national shows, if so desired. In recent years, the show expanded to include an open show division for Brahman breeders in the Southeast to have an opportunity to showcase their genetics in the Heartland area.

This three-day show is a family event that is designed to showcase the Juniors' superior Brahman genetics. In addition, getting to showcase their projects helps build the Juniors' day-to-day skills in the cattle industry, an invaluable educational experience. We realize the future of our breed is only as good as the youth that are growing up in it. If you want to bring your youngersters and enjoy a great weekend of family fun, then be sure and mark your calendar for December 9 - 11, 2022.
